BANIK CUP

Dear sports friends, parents, coaches and especially young footballers,

It is a great honor for me to be the patron of this year's Banik Cup. This tournament is not only a great opportunity to show your soccer skills, but also to experience unforgettable moments that you will remember for a lifetime.

When I go back to my school days, I remember the countless school tournaments I participated in as a player. Although today I can no longer remember the names of all these tournaments, the feelings of joy, excitement and competitiveness that I experienced then remain with me.

Now, as a coach, I supervise the youth categories, and I like to go and watch tournaments like this one, the Nations Cup, Zlatý Kahan or even the Evžen Hadamczik Memorial.

Banik is a part of my life. And of course the biggest experience for me was when I could play for the first team. The atmosphere at the old Bazaly stadium was amazing and electrifying. And just like in the past, even today I still look forward to every opportunity to play football with my friends, this time for the team of older players of Banik.

I hope you enjoy today's tournament to the fullest, that you enjoy football as much as I do, and that you create memories that will last a lifetime.

Daniel Tchuř

I warmly welcome you all to the 7th year of the Banik Cup. This year, important clubs from the Czech Republic, Slovakia, Poland, Hungary and Ukraine will once again come to Ostrava and the Beskydy mountains. I am proud of the fact that FC Banik Ostrava Academy organizes international tournaments and at the same time I am pleased that each of our tournaments is covered by an important football personality from our region. Daniel Tchuř, nicknamed Tete, is a great person whom I know personally, because we played football together in Vítkovice when we were children.

From the very beginning it was clear that Tete had a huge talent and his football skills were really on a different level compared to the rest of us.

Other than that, he was constantly working on himself and there was never any problem with him. I think Tete is a true role model for others and his subsequent career has only confirmed this. He went through the aforementioned Vítkovice, Slavia, Boleslav, Újpest, Petržalka, where he played the Champions League, ending up in the best blue and white club.

I am glad that such a player is a youth coach and can continue to be an example to all young footballers to whom he passes on his experience here.

Have a nice day,
Roman Holíš, Chairman of the FCB Academy
